Probuild Delivers 88 Alfred Street for Cbus Property

Probuild has successfully delivered luxury residential development 88 Alfred Street, Milsons Point, for repeat client Cbus Property.

88 Alfred Street, an exciting adaptive re-use project, has seen the conversion of an existing 16-storey hotel into a 17-level luxury apartment complex. Walls of glass throughout the 123 apartments ensure spectacular Sydney Harbour views remain unimpeded, offering true harbour-side residential living, along with the convenience of ground floor retail and commercial space.

We look forward to continuing our relationship with Cbus Property, as we continue construction at 311 Spencer Street in Victoria and 443 Queen Street in Brisbane.
