

Probuild's first WA Community project builds new Amphitheatre at Westfield Park Primary School in Perth

Westfield Park Primary School will receive a brand new outdoor amphitheatre thanks to a partnership between Tier-1 contractor Probuild and national not-for-profit education organisation The Song Room.

In a commitment to supporting local Perth communities, Probuild will be working with teachers, students and parents from the school over a weekend working bee on 2 and 3 of December. All work is being undertaken by the contractor pro bono.

The exciting creation of a unique 'outdoor classroom' for Westfield Park is part of The Song Room's Creative Community Project, supported by funding from Lotterywest.

"We're incredibly proud to be working with the Song Room on Westfield Park Primary's outdoor classroom," said Probuild's WA Managing Director, Sam Delmenico.

"The Song Room is one of our Workplace Giving partners nationally, so it's fantastic to work with them on one of their projects in Perth."

The 'classroom' will also include a unique dandelion seed sculpture which has been created by the community under the guidance of local Perth artist Lewis Horne.

The Song Room provides innovative learning opportunities for students as well as skills, resources and professional development for teachers and communities. One of the main aims of this initiative is to encourage parents and members of the local school community to participate and be actively engaged with their children's education.

Probuild has been a proud partner of The Song Room, via its Workplace Giving Program, since 2014. Probuild matches all donations staff make to the company, dollar-for-dollar.

Our supporters

Probuild would like to say a special thank you to our subcontractors who have supported this fantastic initiative, by donating either time and/or materials:

Le Grove Landscaping, Realm Studios, GMF Contractors, Façade Management Australia, Benara Nurseries, Axis Services WA, Instant Waste, RM Surveys, Abaxa, D&E Airconditioning, Vercon, ATF, Central Reo, Lightning Brick Pavers, Fero, Johnson & Co, John Massey Group, Limescapes Stonemasons, Signs & Lines, Capital Transport, Levent Painting, Cays Engineering, GCS, CASC, Carabooda Pty Limited

About Probuild's ProCommunity program

ProCommunity is Probuild's corporate social responsibility program, an initiative that supports our staff to give back to the communities we work in. The program focuses on assisting organisations that address homelessness, the built environment and education.

Probuild offers various volunteering opportunities and the ability to donate to charities via its Workplace Giving Program, which the company matches dollar-for-dollar. As well as an out-of-hours soup kitchen roster, Probuild offers all staff two days' paid volunteer leave each year. For more information about the company, visit www.probuild.com.au

About The Song Room

The Song Room brightens the futures of Australia's most disadvantaged children with music and arts programs delivered in partnership with schools across the country.

The Song Room believes that all children should have the opportunity to participate in music and the arts to enhance their education, personal development and community involvement.

The Song Room also provides innovative, curriculum-aligned online arts education to over 75% of Australian Schools through the digital arts education hub, ARTS:LIVE For more information visit www.songroom.org.au.
